

Customer Pre-Painting Checklist

To help ensure your safety and protection of your home's property, we recommend that you follow the following Customer Pre-Painting Checklist prior to our team's arrival.

Interior Checklist

- Please select your paint and stain colors as well as sheens chosen the day before we arrive.
- Remember to disconnect all your audio, electrical and computer equipment.
- Store all your displayed knickknacks, breakables and other personal items from shelves, tables, cabinets and counter tops and place them in boxes in another room for safe keeping.
- Unmount pictures, wall hanging items and lamps and place them in another room.
- If closets are going to be painted, please remove clothing and any other items prior to our arrival.
- If cabinets are going to be painted, please empty them of all items prior to our arrival.
- Remember, pets should be cared for so our team can complete their work properly and ensure the safety of your animals.

Exterior Checklist

- Please select your paint and stain colors as well as sheens chosen the day before we arrive.
- Pets should be secured away and any pet waste be removed from the yard. Carnival Custom Painting will not be responsible for pets that escape from the premises.

- Any trees, shrubs or vines must be trimmed away from the home to help allow our team's access to paint and to prevent any damage to the new paint.
- Plan to re-schedule your lawn service, turn off any sprinklers or pool cleaner/skinners as the spraying water will ruin the new paint.
- Remove any personal items or breakables from patio areas.
- At lastly, make sure all windows are closed properly.
- We certainly appreciate your help in preparing for our arrival.
